

## Semestral test – 2. retake term for General medicine AY 2023/24

**28.5.2024 (Tuesday)**

**start at 8:00**

**P2 lecture room, Faculty of Medicine UPJŠ, Trieda SNP, Košice**

**bring your ISIC card, username and password for ROGO system**

### **Information about test:**

1. Test is composed of **100 questions** (topics are in the range of summer semester syllabus).
2. Every question has 4 different answers – **ONLY 1 answer is correct.**
3. Test duration: **30 minutes**
4. Limit to pass: **minimally 60 %**
5. **Log in to system:**

**Username = same name as for log in to AIS system**

**Password = your personal/natal number**

### **password composition:**

men: YYMMDD0000 or 0001 or 0002

(last two numbers of the year, month, day and 0000 or 0001 or 0002)

women: it is like for men, but month is summed + 50 (january = 51, december = 62)

If you have changed the password in AIS system, do not use it for ROGO system! You must use your personal/natal number in ROGO system.

*Results from the test will be published in AIS system.*
