

Dear students,

on the base the Rector's Directive No. 5/2020 for adopting measures in relation to the occurrence and spread of COVID-19 coronavirus at UPJŠ in Košice we are sending you study guidelines till May 15, 2020.

Lectures: According to the syllabus, they are accessible to students on the website of the Department of Pharmacology: <https://www.upjs.sk/en/faculty-of-medicine/department/pharmacology/>

For further information, read the chapters of recommended literature: Lippincott Illustrated Reviews: Pharmacology, 5th or 6th edition

Seminars: Will be managed on the basis of the student's internet communication with his/her teacher; students are obliged to elaborate the given topics, either in PowerPoint or Word format, within a particular week.

Teacher's contact: <https://www.upjs.sk/en/faculty-of-medicine/department/pharmacology/staff/>

Study control: Control tests according to the syllabus will also be arranged during distance study through the ROGO system at the time of applicable pharmacology lecture. The test consists of 10 questions. The student have to answer the questions within 5 minutes.

To pass the test, it is necessary to reach at least 60%.

The student can apply for the test only once!
