

EURAXESS Slovakia (SAIA, n. o.) cordially invites you to the
intercultural workshop

Understanding Slovaks: Unwritten Rules

Have you been wondering what is “typical” for Slovaks? Join us in discovering what seems to be for someone obvious! Our two experts in intercultural communication Ľubica and Helena will take you on a virtual **Tour de Slovakia** through its history and culture. With the help of ethnography we will explore what it means to be Slovak.

You will find out:

- how we can compare historical social networks and current ones
- what is a rule of thumb for a visitor
- why you could be addressed Auntie and Uncle instead of Mrs. and Mr.
- how to make friends with Slovaks
- what are the common misunderstandings
- how to navigate through your daily life in Slovakia as a non-Slovak person

4 June 2021, 13:30 - 15:30 via Zoom

SPEAKERS:

Helena Tuzinska, Comenius University
Lubica Volanska, Slovak Academy of Sciences
